

Accelerate Time to Market and ROI with Intelligent Tech Stack

Launch 50% faster. Amplify user experience by 80%.

Service Offerings

AI/ML Solutions

Maximize operational efficiency, lower costs, and propel revenue growth.

- **AI Strategy**
Enhance customer experiences and unlock new growth opportunities.
- **Learning Assistants**
Deploy bots that assist with complex tasks and improve customer satisfaction.
- **Model Building**
Leverage bespoke models to gain strategic advantage over the competition.

Cloud Services

Experience a rapid cloud journey empowered by innovative transformation.

- **Transformation**
From strategy development to implementation, experience the best transformation journey.
- **Migration**
Ensure seamless transition and maximize scalability and cost-effectiveness.
- **Infrastructure**
Enable seamless operations and optimal performance with tailored cloud infrastructure.
- **Security**
Ensure confidentiality, integrity, and secure availability of assets in cloud environment.

Product Development & Modernization

Maximize operational efficiency, lower costs, and propel revenue growth.

- **Development & Maintenance**
End-to-end solutions, from ideation to ongoing support, throughout the product lifecycle.
- **Legacy Transformation**
Seamlessly modernize and transform outdated systems, enhancing efficiency.

Quality Engineering

Deliver connected experiences and ensure exceptional software quality.

- **Enterprise Testing**
Mitigate risks, enhance user satisfaction, and drive operational efficiency.
- **Test Automation**
Achieve higher levels of accuracy and enhance the quality of software products.
- **Managed QA Services**
A holistic approach to manage the entire testing process, from planning to execution.

Learning Products

Ignite growth and enhance performance through personalized learning.

- **Development**
Deliver engaging, interactive content and facilitate intelligent collaboration.
- **Design & Enhancement**
Offer intuitive and visually appealing interfaces that enhance learner engagement.

DevSecOps

Integra's DevSecOps services help organizations eliminate security bottlenecks by incorporating secure software development practices into their workflows. Integra enables businesses to build and deploy software with confidence, ensuring robust protection against potential threats.

Core Elements of our Innovative Technology Offerings to Drive Success

Stay relevant and prepared in a fast-evolving landscape with our wide-ranging solution offerings. Enhance end-user experience through the effective use of future-defining technologies.

Our Differentiators

- Accelerate product launches by **50%**
- Improve operational efficiency by **80%**
- Automate **40%** of manual efforts
- **90%** reduction in security incidents
- Enhance user-experience by **80%** across all channels
- Customized solutions for business needs
- **24x7** support and maintenance
- Latest technology stack
